Kuban State Agrarian University

Кубанский государственный аграрный университет

The largest university in the South of Russia occupies 174 hectares in the city of Krasnodar, a region of the Winter Olympic Games "Sochi - 2014" near the Black and Azov Seas.

The University is represented by a campus with 20 dormitories and 22 academic buildings for comfortable accommodation and education of 19 thousand students from 38 countries of the world.

The University has a unique sports and health camp "Krinitsa" on the coast of Black Sea.

Warm climate of Krasnodar Region, beautiful nature, developed infrastructure, high standard and reasonable price of education make our university attractive for students from all over the world.

Krasnodar is well connected by means of the sea and air lines with many countries.
