Omsk State Pedagogical University

Omsk State Pedagogical University

Being one of the leading pedagogical universities in Russia and the largest teacher training educational institution of Western Siberia OSPU has 85 years of history and strong scientific, methodological and cultural traditions.

Main mission of OGPU lies in preserving and multiplication of intellectual values, in getting and dissemination of modern knowledge and information in the process of educating people from Siberia by integrating curricula, scientific research and innovation approaches.

9 faculties and 38 departments implement higher professional educational activities in 19 specializations of the Bachelor Degree and 12 of the Master Degree. There are 2 modes of study: full-time and part-time education. OGPU provides 2 Doctoral Programs (the 1st and the 2nd doctoral degree) and Ph.D. dissertation committees. The University uses the most up-to-date teaching techniques, including the elements of distance learning.

Russian as foreign language

The Department of Russian as a Foreign Language was established at the faculty of Philology in 1991. Nowadays the Department has a great experience in teaching foreign students with different proficiency in Russian, including those who has never studied Russian before.

1. Group courses and individual lessons the duration of which depends on the applicants needs and could be from 2 weeks to 1 year. The aim of the course is to achieve the level of the written and spoken language sufficient to communicate with the native speaker.
2. Preparatory course at the Department of Russian as a Foreign language, after a year of study, foreign students have an opportunity to pass admission exams and study at the baccalaureate in basic educational programs.
3. Bachelor's degree in the field «Pedagogical education», specialization “Education in the field of Russian language” (Teacher of Russian language).
4. The Bachelor's degree holders of foreign institutions are invited to study at the Master's degree program “Education in the field of Russian language” (Teacher of Russian language).

During the **Summer and Winter school of Russian language and country studies** students have language courses, visit significant places and learn a lot about history, culture and traditions of Omsk and Omsk region.

The program consists of :

- Intensive language course
- Practical course and workshops
- Excursions around the city and its region
- Visits to museums and theatres
- Picnics in the wild nature
- Visits to the countryside

Students of the school are divided into smaller groups (10 students per group) according to their proficiency in Russian language.
